www.henleyschool.com

Dear Parents and Carers,

As a trust we are keen to support the Governments mass testing processes in schools to support control of the virus, and ensure education can happen as effectively as possible for our students during this time.

As a result we would like expressions of interest from people in our local community who are willing to be trained up and help us process and test students for Covid-19 in school.

We will offer £10,01 an hour for your support, and would require an enhanced DBS upon starting the role. Training and PPE will be provided.

Could expressions of interest please be sent to ssmith@henleyschool.com by Monday the 4th January.

Many thanks,

Mr M Wilson
