

Wellbeing

If your school has decided to share wellbeing data with parents, you will see the [Wellbeing](#) tab when viewing pupils from that school.

Clicking on this tab will present you with five face icons, which represent a range of [emotions](#). These icons can be used to record wellbeing submissions for how your child is currently feeling.

To record a wellbeing submission, select the [face](#) icon that most accurately describes your child's emotions.

You are able to add a [description](#) for the wellbeing submission, along with a [tracker](#) if your school has made them available to parents.

Click on the [Save](#) button once you are finished.

Once a wellbeing submission has been recorded, you can make changes to it using the [pencil](#) icon.

To delete a wellbeing submission, click on the [bin](#) icon for the submission of your choice.
